Library Book Sale*

*I want to extend thanks to the volunteers who helped with setting up, selling, and breaking down for the book sale; the volunteer book sorters who sort the book donations, the amazing library staff, who are always most helpful with anything we ask of them; library patrons, who donated thousands of books for the sale; Thank you all again for helping to make the sale a success and congratulations to everybody who contributed. Your efforts will help the Friends with its mission of providing support for library services.*

*The library Friends accepts gently used donations of books, as well as music cds, book cds, and DVDs, year round whenever the library is open, always preparing for the next sale.*

*We have had so many positive comments regarding the Volunteers who helped this Saturday that I wanted to thank each & every one for a job well done!*
